

Description

Villa and Studio Meandros are located on the edge of the beautiful village of Lindos and are a short walk to the centre, packed with bars and restaurants. The villa and studio maintain aspects of the traditional Lindian ways and offer stunning views.

Studio

A spacious studio with private terraces leading from both the kitchen and the bedroom. Studio Meandros is the ideal base if you are searching for a modern, yet traditional Greek studio. On entering the studio you will find the kitchen area with full self-catering facilities. The bedroom features a Lindian style bed and the bathroom comes with a walk-in shower. The most attractive feature has to be the private terraces, one shaded where you can sit and relax and the other with sun loungers.

Villa

Villa Meandros consists of three bedrooms across one level. The open plan living/sleeping area with its high ceiling and pebbled floor offers a Lindian style bed and comfy seating. Walking through the family sized, fully equipped kitchen you will come to the second bedroom and then through to the third bedroom which has an en-suite bathroom with walk-in shower. All bedrooms feature Lindian style beds and individually controlled air conditioning. Each room leads out to a large courtyard with various seating areas and a BBQ, perfect for enjoying family meal times and taking in the amazing views that the Villa has to offer.

Location

Located at the edge of Lindos village, at the heart of the cosmopolitan island of Rhodes. Lindos is a beautiful little village with a variety of excellent quality restaurants and bars and beautiful sandy beaches.

Villa and Studio Meandros are a short, but windy walk from the centre of the resort and its features. They are not recommended for those with walking difficulties or those who need use of push chairs etc.

Mainly, the proximity of the villa and studio from every major attraction and entertainment centre of Rhodes, allows our guests to tour the island by taking short trips to places like the Old Town of Rhodes, Prasonissi or Petaloudes.
