

Description

Villa Anna Maria is located on the edge of the beautiful village of Lindos, and is a short walk to the centre, packed with bars and restaurants. The villa maintains aspects of the traditional Lindian ways as well as more modern features. Villa Anna Maria is the ideal base if you are searching for a modern, yet traditional Greek villa. On the ground floor, you will find an open plan living/dining area, which leads into a fully equipped kitchen as well as a bathroom with walk-in shower and 2 bedrooms. Both downstairs bedrooms are complete with Lindian style beds (1 room with double, and 1 room with twin beds). The living/dining area also boasts a split-level feature with comfy beanbags and cushions to relax. Upstairs, you will find a second bathroom with walk-in shower and 2 further bedrooms. The first with a double bed and the second with twin beds. All bedrooms and main living area have individually controlled air conditioning. One of the most exciting features of Villa Anna Maria must be its extensive outdoor space including a large terrace with table, chairs and BBQ, a corner space, perfect for relaxing and a balcony/terrace complete with sun loungers with the most stunning views over Lindos and the Acropolis.
